Languages

Persian – Mother Tongue
English – B2

IELTS Overall: 6.5

Reading: 7 Listening: 7

Speaking: 6 Writing: 6

Azerbaijani – B1

German – A1

Inventions

Herbal Anti-Diabetic Toothpaste
(Under Review)

Blood Coagulant Powder of HIVA
(Animal phase)

HIVA Vaginal Cream
(Clinical trial phase)

Books:

Recent Studies on Vitaminology -
Insights, Applications and Uses
Prof.Dr. Abdalbasit Adam Mariod
Chapter of Vitamin E and
Metabolic Syndrome (Under
Review)

Summary:

I have seventeen years of experience as a research assistant, scientific writer, and lab supervisor at Mashhad University of Medical Sciences, one of Iran's high-ranked universities.

Research Interests:

- Immunology
- Biochemistry
- Host-Pathogen Interactions
- Metabolic Disease

Education:

Sep. 2011-

Jun. 2016

Master of science (MSc.):

Biology-Biochemistry

University: Payame Noor University of Mashhad (PNUM)

Institute: Ministry of Science, Research, and Technology

GPA: 16.37/20.00 – 3.35/4.00

Thesis: Serum vitamin E status influencing factors among 35-64 years old Mashhad population: A population-based cohort study

Supervisor: Prof. Dr. Majid Ghayour-Mobarhan

Sep. 2003-

Feb. 2007

Bachelor of Science (BSc.):

Biology-Microbiology

University: Islamic Azad University of Gorgan (IAUG)

Institute: Ministry of Science, Research, and Technology

GPA: 15.62/20.00 – 3.27/4.00

Core Courses:

- Immunology: 17.5/20
- Microbiology I and II: 16.2/20
- Bacteria: 19.5/20
- Biotechnology: 16.62/20
- Membrane Biochemistry: 17.2/20
- Genetics I and II: 16.5/20
- Applied Microbiology: 16.5/20
- Mycology: 19.4/20
- Biochemistry II: 17/20
- Hormone Biochemistry: 17/20

Honors and Awards:

- Qualified to study in an online course of "Vaccines and Viral Immunology" which held on Harvard Medical School, Boston, USA. (Jan 9, 2024 to March 22, 2024)
- Best COVID-19 Project reward at "Research and Technology Festival of Mashhad University of Medical Sciences, Khorasan Razavi Province, Iran (Jan 2022)
- Honored to be a member of Allergy Research Center, Mashhad University of Medical Sciences, Mashhad, Iran. (2019-now)
- Honored to be in the Young Researchers and Elite Club of IAU (2005-2016)
- Honored to be a member of an Central association of Iranian inventors (2008-2009)
- Ranked Third in Kowsar High-school in National Scientific Future Builders Competition and 40 in Mashhad, Iran and first in English language course in Iran. (2002-2003)
- Honored to be in the National Organization for the Development of Brilliant Talents (SAMPAD) in elementary school (1991-1996)

Laboratory Skills:

Fluent with Chemicals and Their Reactions, Lab Maintenance and Safety, Routine Microbiology Tests, DNA and RNA Extraction from Blood & Tissue, Electrophoresis, Cell Culture, HPLC, and related Troubleshooting, Routine Serology Tests, Elisa Test, and Related Troubleshooting, Nephelometry Method, Protein Extraction, Western Blotting, Dot Blotting, Chromatography, Primer and Probe Design, PCR, Real-Time PCR

Computer skills

- Microsoft Office
- Endnote
- SPSS
- GraphPad Prism
- Photoshop
- Website design
- Who net

Music skills

- Solfeggio 1
- Solfeggio 2
- Classical Guitar
- Flamenco Guitar

Sports skills

- Taekwondo Red belt
- Futsal

Interests and hobbies

- Research
- Photography
- Music
- Sport
- Painting

Volunteer activities

- **Reviewer** for Scientific Reports (ISI, IF=4.3) - **One** article Biotechnology and Environmental Science (RBES) Journal (EBSCO) - **Three** article
- **Editorial board** of the Research in Biotechnology and Environmental Science (RBES) Journal **2023-now**
- **191** COVID-19 telephone answering system. **Oct 2020**

Research Experiences in Summary:

- 18 years of experience as a Clinical Research Assistant and Lab Supervisor at MUMS
- 26 published articles (16 ISI, 5 Pubmed) with 734 Citations
- 13 national and international presentations
- 23 national and international project cooperation
- Over 80 workshop attendance (251 hours training courses)

Research and Work Experiences:

Laboratory Internship | Mashhad University of Medical Sciences (MUMS)

Ghaem hospital laboratory (2007) Emam Reza hospital laboratory (2005)

Responsibilities: Microbiology, Serology, BK, Immunology Tests

Research Assistant, Lab Supervisor, Journal Expert | MUMS

1. Allergy Research Center, one of the global network of GA2LEN UCARE centers in Berlin (2018-now), Cardiovascular Research Center (2007-2018), Biotechnology Research Center (2015-2018), Stem Cell Committee (2014-2015), Medical Genetics Research Center (2013-2014)
Responsibilities: Laboratory Management, writing and editing scientific proposals, writing and editing scientific manuscripts, submission in related journals, Data collection, Clinical trials coordination, data analysis
2. Journal of Fasting and Health (2011-2013)
Responsibilities: receiving and sending articles to the reviewers, editor and authors, improving the journals index, edition the manuscripts
3. Zamen Salamati Institute, Member of WHO, Global health workforce alliance, COPE, WAME (2009-2011)

Certifications:

○ **FDA Clinical Investigator Training Course.** U.S. Food and Drug Administration. (December 6-7, 2023)

○ **Laboratory Animal Working License**, MUMS, Mashhad, Iran (May 23-25, 2023)

○ **Laboratory workshops** in MUMS, Mashhad, Iran

Different types of microbial media and their quality of control (23 Jul 2023), Urine Biochemistry (12 Jul 2023), Eliza, quality control methods and error management (03 Sep 2022), Laboratory challenges in interpreting the results of hormonal tests (17 Oct 2022), DNA and RNA extraction (11 Nov 2020), Cell therapy (02 Dec 2020), Inherited metabolic diseases (12-13 Nov 2019), Principles of cleaning, disinfecting and sterilizing the laboratory environment (07 Aug 2017), Types of diabetes, methods of diagnosis and treatment (03 Aug 2017), Management of toxic and biological waste substances in research laboratory (18 Jun 2016), Quality control in research laboratory (11 Aug 2016), Introduction to cell culture (15-19 Nov 2014),

Research Workshops in MUMS, Mashhad, Iran

Knowledge translation (09 Jan 2021), Innovative business and start-ups (03 Jan 2021), Information security and enterprise networking (10-24 Jul 2019), Research methodology 2 (Advanced) (28 Jun 2017), Search strategy for systematic review articles (07-10 Oct 2017), Introduction to Photoshop software (27 Jul 2017), Introduction to research article types (06-08 Sep 2016), Introduction to scientific databases (03-04 Aug 2016), Introduction to bias types, odds and ratio (17 Jul 2016), Elementary SPSS (31 Oct 2015- 07 Nov 2015), Ethics in research publications workshop (02 Jun 2011), Endnote X3 workshop (29 Aug 2010)

○ **ICDL**, Technical and Vocational Training Organization, Mashhad, Iran (2014)

○ **The Second Experimental IVF Workshop**, Yazd, Iran (2006)

Papers (Scholar Citations: 734)
